

Asha Patil

Asha was a little artist right from her early days at SOS Children's Village, Greenfields.

Asha Patil

Encouraged by her mother and everyone else at SOS, Asha's artistic talent blossomed for all the world to see. Starting out with an exhibition in Oslo,

Asha Patil

Asha went on to do a series of group and solo shows all over the country. She also had a very successful solo exhibition in Germany.

Govinda Boro

As a little boy growing up at SOS Children's Village, Guwahati, Govinda had a passion for sports. Noticing that he had a special talent for football, his mother, brother and his coach encouraged him to pursue the sport seriously.

Govinda Boro

Govinda went on to play in the first Inter Village Football Tournament in 1996 at Guwahati, where his team won the Gold Medal.

Govinda Boro

He also played in the Assam state team as the goalkeeper for the 33rd National Games where his team again won the Gold Medal.

Hena Pore

Hena is from SOS Children's Village, Jaipur. She became the first girl pilot and NCC cadet from the state of Rajasthan to fly a Microlite Zen Air STOL CH-701 aircraft.

Hena Pore

As a Warrant Officer at the age of 19 years, Hena co-piloted one of the three Microlite aircrafts in the National Cadet Corps' Prime Minister's Rally at the Delhi Cantonment in the year 2007.

Ragini Rani

Ragini came to SOS Children's Village, Jaipur when she was just four days old. From a very early age, she was fascinated with aeroplanes...and she always wanted to fly.

Ragini Rani

After finishing school, she joined the Air Hostess Academy, Jaipur and completed her course with flying colours. Then she worked with many big companies like Wipro,

Ragini Rani

Convergence, Genpact and Daksh before getting a break at IndiGO Airlines. And today, she's flying high...a dream come true!

Archna &  
Chetna

These bubbly twins from SOS Children's Village, Bangalore, always had a lot of energy! At the age of nine,

Archna &  
Chetna

they began channelising their energy into learning the art of Bharat Natyam. Today, both the sisters are studying Information Science,

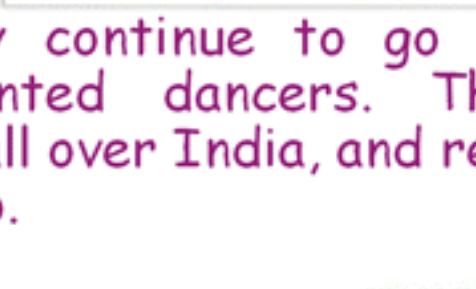

Archna &  
Chetna

while they continue to go places as highly talented dancers. They have performed all over India, and recently, in the USA too.

Sanjeev  
Bhadra

Sanjeev was just 4 days old when he came to SOS Kolkata. After he completed his secondary education from Hermann Gmeiner School, Bhimtal, in 1996,

Sanjeev  
Bhadra

he pursued a Bachelor's Degree in Industrial Microbiology from Delhi University. He then proceeded to the UK for his M.Sc Degree in Biomedical Science,

Sanjeev  
Bhadra

with a specialization in Medical Microbiology from the University of Northumbria, Newcastle. Sanjeev is currently working in the UK and simultaneously pursuing his PhD Degree.

Daniel  
Verma

Daniel came to SOS Children's Village, Jaipur at the age of 10 years. Right from this early age, he had a passion for computers and information technology. He started his schooling at Tagore Public School, Jaipur,

Daniel  
Verma

and later went to Hermann Gmeiner School, Bhimtal. After graduating with a Bachelor's Degree in Commerce from the University of Rajasthan, Daniel joined the Pizza Hut chain as a crew member.

Daniel  
Verma

Later, pursuing his passion for computers, he joined the World Wide Web Institute where he honed his knowledge and skills while working as a Business Coordinator.

Daniel  
Verma

His hard work and determination paid off when he got a scholarship for pursuing higher studies in Computer Science at Demontfort University, Leicester, in the UK.

Daniel  
Verma

Daniel now lives in London and is currently working as an Account Manager - Mid Market with Software Spectrum, the world's largest software reseller.
